57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Monday, the 7th day of February, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GEN-
ERAL IN COUNCIL.

THE Minister of the Interior states, under date 27th January, 1910,—with reference to the Order in Council dated 9th September, 1909, cancelling an Order in Council dated 31st May, 1902, which latter Order authorised the issue of a patent for a certain tract of land comprising about 18,000 acres surrounding Coquitlam Lake and River, in the Railway Belt of British Columbia, in favour of the City Council of New Westminster, upon receipt by the Department of the Interior of the sum of (\$250) two hundred and fifty dollars, and upon the said City Council filing in the Department of the Interior, at their own expense, a plan of survey of the tract applied for approved by the Surveyor-General of the Department of the Interior,—that in the said Order in Council dated 9th September, 1909, an inaccuracy occurs in the recital in the third paragraph thereof, which reads as follows:—

"The said city has not paid the amount stated nor has it caused the said survey to be made, and no patent has been issued for any of the lands to the said City of New Westminster."

The Minister further states that at the time of this cancellation the fact of the city having paid in (\$250) two hundred and fifty dollars in anticipation of receiving a patent for these lands was overlooked, and when notification was given to the city on the 28th September last from the Department of the Interior of the said Order in Council of the 9th September, 1909, having been passed, the said amount of (\$250) two hundred and fifty dollars was not therewith forwarded.

The Minister observes that on 13th October last the said amount of (\$250) two hundred and fifty dollars was forwarded to the City Clerk of New Westminster with an explanation as above.

The Minister, therefore, recommends that in the third paragraph of the said Order in Council of the 9th September, 1909, the words "paid the amount stated, nor has it," where they occur in the above-quoted third paragraph, be struck out, leaving the paragraph to read: "The said city has not caused the said survey to be made, and no patent has been issued for any of the lands to the said City of New Westminster."

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of March, 1910.

PRESENT:

HIS EXCELLENCY THE GOVERNOR- GENERAL IN COUNCIL.

THE Minister of the Interior, under date of the 1st March, 1910, refers to the Order in Council, dated September 9th, 1909, relating to the water-power development at Coquitlam Lake, in the Railway Belt of British Columbia, by the Vancouver Power Company, and particularly to the last paragraph of the said Order, in which approval is given of the plans of the dam and works of the proposed further development of the said Vancouver Power Company's hydraulic undertaking, but on the express understanding that nothing in the said Order contained shall warrant the said Company in claiming the granting by this Government of rights in the waters of Coquitlam Lake and River, additional to those granted by Order in Council, dated 15th April, 1902, except under Regulations which shall be similar to those now in force governing the administration of water-power in connection with the Dominion Lands in Manitoba, Saskatchewan, and Alberta, and in the issuing of a licence for the use of water to the said Company, such licence shall conform to clauses 1, 2, 3, 5, 6, 7, 8, and 10 of the said Regulations.

The Minister states that subsection "F" of clause 8 of the Regulations referred to in the said last paragraph of the Order in Council contemplates the return of the water diverted for power purposes to the stream or other source of water of the amount so diverted, but in the case of the Vancouver Power Company the works already completed by the Company divert a portion of the waters of Coquitlam Lake used for power purposes by means of a tunnel about two and one-half miles long to a smaller lake named Lake Buntzen, and from thence to the North Arm of Burrard Inlet. These works were carried out under authority of the Government of the Province of British Columbia, and authority having been also sought from this Government, such authority, by way of quit-claim without warranty of title, was given.

The Minister represents that the plans for the further development of the hydraulic undertaking of the Company, approved by the said Order in Council, require that the water used for power purposes will continue to flow into the North Arm of Burrard Inlet.

The Minister, therefore, recommends that the reference in the said last paragraph of the Order in Council to section 8 of the said Regulations shall not apply to subsection "F" of the said section 8

so far as the said subsection is inconsistent with the design of the said plans to divert the water as aforesaid.

The Committee submit the same for approval.

Clerk of the Privy Council.
